OLC # 78-2528/4

DDS&T-4066-78

23 August 1978

MEMORANDUM FOR:

Assistant Legislative Counsel
Office of the Legislative Counsel

SUBJECT: Response to General Accounting Office
                Report on U. S. Export Licensing

REFERENCE: OLC 78-2528-78/1 dated 28 July 1978

        After careful review of the draft General Accounting
Office report and appropriate coordination with all the
respective offices within the DDS&T, we find no adverse
impact on the DDS&T's operation should the proposed
legislation be promulgated and the resultant reorganization
occur. This declaration is contingent upon the exclusion
cited in the draft report concerning the present operation
of the Office of Munitions Control licensing activity
conducted under the auspices of the Department of State.
It is our understanding that this activity is not the
subject of this GAO report; therefore, based on this
understanding we have no objection, nor can we add positive
input to the Legislative Counsel's response to the General
Accounting Office on the reference report.

                                    Chief
                        Procurement Management Staff, DDS&T
